SCHOOL IMPROVEMENT PLANNING

Dr. Travis Woulfe
June 2014
• All Title I schools who have failed to meet the AYP target for one or more years are required to complete a school improvement plan using the Rising Star Continuous Improvement Process platform

• The AYP target for 2013 was 92.5%

• The AYP target for 2014 testing is 100%
• All schools and the District are currently in compliance with ISBE-mandated submissions
• Report from RSCIP on meetings, members, et cetera – www.iirc.niu.edu
SIP IN RPS205

- Illinois Center for School Improvement
  - Priority Schools: Beyer, Kishwaukee, Kennedy, West, and CICS Jackson
  - Focus Schools: ISBE and USDOE are negotiating the parameters of this designation
  - District Leadership Team – working on K-5 Social-Emotional Learning Targets plan
SIP IN RPS205

• Calendar for 2014-2015 is complete to guide schools as they plan for the coming instructional year

• ISBE will be moving from the AYP Status Report to a Multiple Measures Index in 2014-2015. They are working on the details, which we will share as they become available
