TERMS AND CONDITIONS

1. If Carrier is a contract carrier, shipment shall be made in accordance with the terms of the contract between Carrier and Shipper.

2. If Carrier is a common carrier, shipment shall be made in accordance with the terms of the Uniform Straight Bill of Lading set forth in the current National Motor Freight Classification, provided, however, that if shipment is made wholly within a state where bills of lading have been legally prescribed, shipment shall be governed by the terms of the applicable bill of lading.

3. Carrier is responsible for loading into correct tank compartment.

4. Shipper will not be responsible for the condition of tanks, compartments or other containers for the transportation of the products covered by this receipt.

5. The products covered by this receipt are delivered F.O.S. point of loading and Shipper will not be liable in any way for any accidents, damage either to persons or to property, loss of property or delay, arising out of or occurring during the transportation of the products herein described or while being loaded or unloaded.
