CUSTOMER SIGNATURE X
A new Ohio state law, Sub. H.B. 421 (the Petroleum Underground Storage Tank Release Compensation Fund Act ("UST Act")), requires owners of certain underground storage tanks to notify the designated state agency (for these purposes, that agency is the Bureau of Underground Storage Tank Regulation within the Division of the State Fire Marshal of the Department of Commerce) of the existence of their tanks. Notice for new tanks (brought into use after May 8, 1986) must be made within 30 days. Consult U.S. EPA regulations and regulations of the Bureau of Underground Storage Tank Regulation to determine if you are affected by this law.

TERMS AND CONDITIONS

A. Deliveries into trucks furnished by the shipper are subject to the following:
   1. If Carrier is a contract carrier, shipment shall be made in accordance with the terms of the contract between Carrier and Shipper.
   2. If Carrier is a common carrier, shipment shall be made in accordance with the terms of the Uniform Straight Bill of Lading set forth in the current National Motor Freight Classifications, provided, however, that if shipment is made wholly within a state where bills of lading have been legally prescribed, shipment shall be governed by the terms of the applicable bill of lading.

B. Deliveries into trucks other than those furnished by Shipper are subject to the following:
   3. Carrier is responsible for loading into correct tank compartment.
   4. Shipper will not be responsible for the condition of tanks, compartments or other containers for the transportation of the products covered by this receipt.
   5. The products covered by this receipt are delivered F.O.B. point of loading and Shipper will not be liable in any way for any accidents, damage or loss, whether to persons or property, occurring during the transportation of the products herein described or while being loaded or unloaded.

GASOLINE

DANGER: Extremely flammable - vapors may explode. Harmful or fatal if swallowed. Long-term exposure to vapors has caused cancer in some laboratory animals. Prolonged or repeated inhalation of vapors may cause harmful nervous system effects. Prolonged or repeated contact may cause skin irritation.

Do not use or store near heat, sparks or flame. Keep container closed. Use only with adequate ventilation. This product presents and extreme fire hazard. Invisible vapour may spread and be set on fire by sources such as pilot lights, welding equipment and electrical motors.

Avoid prolonged breathing of vapour. Do not get in eyes, on skin, or on clothing. Keep face away from nozzle and fill opening. Never sniff by mouth. If contact is unavoidable, wear protective clothing, face protection and gloves. After handling, wash thoroughly with soap and water.

KEROSENE, DIESEL/FUEL OIL, JET FUEL

DANGER: Harmful or fatal if swallowed. Inhalation of vapors may cause harmful nervous system effects. Skin cancer hazard based on tests with laboratory animals. Prolonged or repeated contact may cause skin irritation. Under conditions producing mist or vapor, respiratory tract irritation may occur.

Combustible liquid and vapor.

Avoid contact with eyes, skin and clothing. If contact is unavoidable, wear protective clothing, face protection, and gloves. Use with adequate ventilation. Avoid breathing mist. After handling, wash thoroughly with soap and water. Keep container closed. Keep away from heat and flame.

FIRST AID - GASOLINE, KEROSENE, DIESEL/FUEL OIL, JET FUEL

IF SWALLOWED: DO NOT INDUCE VOMITING. If spontaneous vomiting occurs, monitor for breathing difficulty. If breathing is difficult, ensure a clean airway and oxygen may be given. GET IMMEDIATE MEDICAL ATTENTION.

IF IN EYES: Flush immediately with large amounts of water for at least 15 minutes. Eyelids should be held away from eyeball to ensure thorough rinsing. GET IMMEDIATE MEDICAL ATTENTION.

IF ON SKIN: Wash exposed area with soap and water. Remove contaminated clothing immediately. GET MEDICAL ATTENTION IF IRRITATION PERSISTS.

IF INHALED: Remove affected person from source of exposure. If not breathing, administer Cardiopulmonary Resuscitation (CPR). If breathing is difficult, ensure a clean airway and oxygen may be given. GET IMMEDIATE MEDICAL ATTENTION.

ATTENTION: Empty containers may contain toxic, flammable/combustible or explosive residue or vapors. Do not eat, girdle, drill, weld, reuse or dispose of containers unless adequate precautions are taken against these hazards. OBSERVE ALL PRECAUTIONARY LABELING.

Before using this product, read the MSDS which contains more detailed precautionary measures, handling instructions, and emergency procedures.
This is to certify that the herein named materials are properly classified, described, packaged, marked, and labeled, and are in proper condition for transportation, according to the applicable regulations of the Department of Transportation.
