Good afternoon,

I am requesting records under the Freedom of Information Act. This information does not relate in any way to a lawsuit that involves the requester, and the Illinois Department of Transportation or any of its employees. I am requesting this information for myself, and I am not affiliated with a company.

I am requesting the most recent maps/designs/plans that identify the proposed and existing ROW alignments for the land acquisition activities in the following locations:

- near Lincoln Middle School
- near Kishwaukee Elementary School

Note - I am requesting the MOST RECENT documents.
I prefer to have these documents emailed to me, if possible. If not, can you mail them to me on a CD?

If there is any additional information you may need to help fulfill this request, please let me...
know.

Ruthie Harvey
