Hello Ms. Meng,

This email is sent in response to your request for information under the Illinois Freedom of Information Act. Your request was received November 7, 2017. You requested:

The grade distribution at Auburn High School including the letter grade, the class take, the semester year the grade was received, and the gender, race and graduation class of the student who received the grade for the school years 2012-2013 through 2016-2017.

As we discussed via telephone on November 14, 2017, the District does not release data containing student group sizes less than 10 pursuant to 5 ILCS 140/7(1)(a). Even in the absence of student names, small group sizes could reveal student identities. In an effort to determine whether or not the District had responsive data containing student subsets greater than 10, we sampled data from Auburn High School PE class (such classes are typically as large). When the data was broken down our largest group size was 4. As such, the District has no data responsive to your request.

After speaking this morning, I understand you are considering submitting a revised request. If I can be of further assistance, please feel free to contact me.
